# GREETINGS FROM THE MAYOR

Welcome to the 2013 Summer Program Guide!

Baltimore City Recreation and Parks has a summer packed with exciting programs, events and activities planned just for you. This is the perfect time to explore our network of bike trails and park treasures like Cylburn Arboretum and the Howard Peters Rawlings Conservatory and Botanic Gardens of Baltimore. After all, the Trust for Public Land has ranked Baltimore's parks system as one of the best in the nation. As we continue our commitment to high-quality, community-oriented recreational services, I encourage you to take advantage of the many activities listed within this booklet. Enjoy one of the city's free summer concerts in the park, shop for fresh local produce at Druid Hill Park's Farmers Market or cool off at one of the city's swimming pools. Here in Baltimore, we are well aware of the health, economic, and environmental benefits that parks, recreation and leisure services has on our communities.

I firmly believe the only way to ensure we are meeting the needs of the diverse communities that we serves is by upgrading our recreation centers, and when possible, building new ones. These facility improvements will increase recreational opportunities for all citizens. In addition, it will ensure Baltimore's growth by 10,000 families over the next decade, which is a part of the city's master plan.

Have a safe, fun summer!

Stephanie Rawlings-Blake,  
Baltimore City Mayor

# GREETINGS FROM THE DIRECTOR

Welcome to the 2013 Summer Program Guide!

There's a new adventure waiting for you every day at Baltimore City Recreation and Parks (BCRP).

Looking for affordable and quality summer camp programs for your children? Camp Baltimore, one of our premier summer activities, is offered at each of our recreation centers at an affordable price. Our specialty camps cater to your child's unique interests such as aquatics, figure skating, fitness, tennis, travel, and technology. The Carrie Murray Nature Center and Cylburn Arboretum both offer nature camps that will capture and hold the most inquisitive youth's attention during the long summer months. There's also Camp Variety, which is designed for those with disabilities; but you will find that the folks at Farring Baybrook Recreation Center focus more on abilities.

I invite you to cool off at one of the city's six large park pools, 12 neighborhood walk-to pools, six wading pools, three indoor pools or five splash pads. Enjoy a leisurely bike ride this summer during our Reservoir at Druid Hill Park or Lake Montebello Ride Around events.

This is an open invitation for you to experience all that we have to offer here in the city of Baltimore.

Remember, to Get ACTIVE and Stay HEALTHY with Rec and Parks this summer!

Ernest W. Burkeen, Jr.  
Baltimore City Recreation and Parks Director

# TREEBALTIMORE

TreeBaltimore is BCRP's award-winning initiative to grow the city's tree canopy by planting one tree at a time. Trees clean our water and air, reduce the effects of heat in the summer and help lessen the impacts of global warming. Trees are essential to healthy, vibrant communities. The implementation of TreeBaltimore is an investment in our city's future.

## TREES IMPROVE THE QUALITY OF LIFE:

- Greener neighborhoods are linked to better overall health.
- Two mature trees can provide a lifetime supply of oxygen for a family of four.
- Green spaces with trees draw neighbors outdoors; and encourage walking, physical activity and interaction with others.

## GET INVOLVED IN TreeBaltimore!

- Plant trees on your property;
- Care for the trees along the streets and other neighborhood places;
- Start a neighborhood tree group;
- Organize tree planting and maintenance events;
- Take the Recreation and Parks' Neighborhood Tree Steward training class;
- Volunteer with Recreation and Parks or local greening groups;
- Receive a FREE tree from TreeBaltimore; and
- Apply for the City's matching grant program.

Every member of the Baltimore community has a role to play in growing our tree canopy and a stake in the outcome of TreeBaltimore.

For more information about TreeBaltimore or volunteer opportunities, please contact Charles Murphy at [charles.murphy@baltimorecity.gov](mailto:charles.murphy@baltimorecity.gov).

**ONE TREE CAN MAKE A DIFFERENCE.**  
**WHERE WILL YOU PLANT YOURS?**

**TreeBaltimore**  
Growing Baltimore's tree canopy  
one tree at a time.

TreeBaltimore strives to increase the urban tree canopy through the establishment, management and preservation of trees. To reach our goal of 40% tree canopy cover by 2030, we partner with individual homeowners as well as communities, schools, and businesses. TreeBaltimore is a mayoral initiative led by the Baltimore City Recreation and Parks in partnership with Blue Water Baltimore, the Parks & People Foundation, and the Alliance for the Chesapeake Bay with support from Constellation Energy.

Volunteer for one of our events or donate today by visiting [www.TreeBaltimore.org](http://www.TreeBaltimore.org).
